#### **LANGUAGE PROFICIENCY :**

Bangla : Native

English : Fluent in both writing and speaking

Hindi : Fluent in speaking and listening

#### **PERSONAL INFORMATION :**

I am a very energetic person with skills in photography, excellent communication, decision making, problem solving, and fast learning. During my diploma period, I completed a project in game development where I created a game called Project-STRATEGION on my own in just 48 days. I have also taught my fellow classmates web design, photo editing, and basic computer skills.
